You are welcome to visit the Conference Website for more details via <http://7ahla2019.org/> , as well as the official website of the AHLA <http://www.ahla-asia.org/>.

We look forward to your participation and productive involvement in this important event.

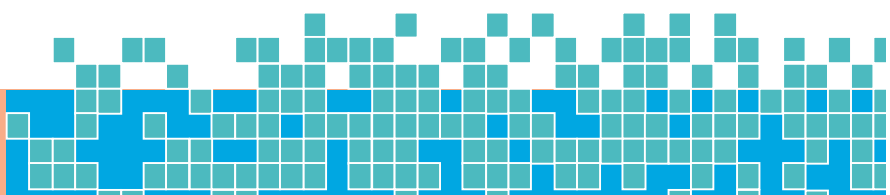

Most sincerely,

Dr. Nguyen Minh Quan, MD, MPH
President of 7th AHLA conference
Director of Thu Duc hospital, Ho Chi Minh city, Vietnam.

Prof. Peter WS CHANG, MD, MPH, ScD (Harvard), FRCP
(London)
President, Asian Health Literacy Association

Appendix

The AHLA has been fully supported by more than 100 academic professional institutions in more than 40 countries in Asia and around the world. The AHLA is a multinational non-governmental organization that seeks to study and conduct research, education and policy implantation in health literacy across Asia. The association encourages dialog among researchers, officials, healthcare organizations as well as experts in health and education, corporations and media that can develop better interventions in health education and services.

The AHLA has been established in Geneva, Switzerland in 2014, and moved to London, UK in 2018. Since then, six international conferences were well-organized in Taiwan, Vietnam and Malaysia. These events have been participated by more than 400 global experts, scientists, and policy makers.
